

Acknowledgments

We deeply thank editor Alexandra Lajoux and Jaya Dalal of De Gruyter publishing for their invaluable assistance in bringing this project to life. Your guidance, expertise, and unwavering support have been instrumental in shaping the final product.

We also owe a debt of gratitude to Sara Lussow for her help with the initial research and to the following for their assistance in reviewing portions of the manuscript and providing expertise: Robert Cubbins, Nancy Lockhart, Ralf Hess, Doug Chia, and Keith Johnson. Your thoughtful insights and constructive critiques have greatly enhanced the quality of this work.
